

Countdown for Challenge Salou 2020

Just 5 Months left, Salou strengthens his international prestige with triathletes coming from 30 countries.

200 entries for the SHORT distance will be opened on the 1st of November.

Challenge Salou will close registration once the 1000 slots are sold.

Salou, 28 of October 2019. Challenge Salou will open 200 exclusive entries for the short distance on the next 1st of November 2019. With over 30 countries represented, the registration process keeps a good rhythm and it's expected to do SOLD OUT before the deadline (on 19th of March) as it happened in the last edition.

Salou will start the European triathlon season and will be the first Challenge Family's race, which has 41 races over 21 countries.

As the last year, the professional field is having a big participation and this is because of the 25.000 € money prize and the sum of points for the Challenge Family World Bonus (<https://www.challenge-family.com/world-bonus/>), which don't go unnoticed by anybody. In addition, Challenge Salou will be the first qualifying race in Europe and will offer many SLOTS for the World Championship "The Championship" in Samorin (Slovakia).

The race will start on Sunday at 8am. It's expected the first athlete to cross the finish line around 11:50 pm, which is located at Plaza de las Comunidades Autónomas and will be the epicenter of the event all the weekend. With the highlights of good weather conditions, a fast bike course (3 laps) and a run course next to the promenade, the race won't left anybody indifferent.

Challenge Salou will offer for the first time the possibility to watch and follow the race on streaming through its RRSS.
